

2019 Annual Report

In 2019, thanks to the generous support of our community, we were able to continue our efforts to empower children, engage parents, and energize the community by providing and improving our play-based learning opportunities.

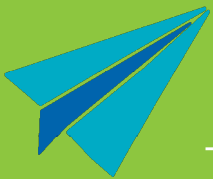

Attendance

- 120,172** Total visitors engaged in play-based learning
- 2,614** Member families enjoyed unlimited opportunities to explore
- 102** Birthdays celebrated bringing families together in the community

Programs

- 842** Budding engineers constructed a 3D structure in Build It!
- 1,174** Sprouting minds (and their adults) grew through Munchkin programs
- 512** Emerging artists created masterpieces during Studio Saturday

Access

- 1,456** Access Admissions supported families in times of crisis or transition
- 464** Access Memberships ensured all families have a safe place to learn through play

Field Trips

- 12,572** Participants joined in learning outside the classroom
- 199** Discovery Classes enhanced learning through hands-on opportunities
