

Annual Report

We are so grateful for the generous support of our community in 2021. Your partnership has enabled us to continually evolve to meet the needs of kids and families in our local area and beyond. Check out some of the ways we supported families in 2021 below. We look forward to continuing to serve this community in 2022 and for many years to come.

1,591 Access Admissions

Our Access Initiative ensures that families going through financial hardships have access to safe, play-based learning opportunities at the BFK.

126 Welcome Baby Community Families

The Welcome Baby Community supports the needs of first-time parents in the Fox Valley Region by connecting them to local experts, other first-time parents, as well as tools and resources, such as a free membership to the BFK.

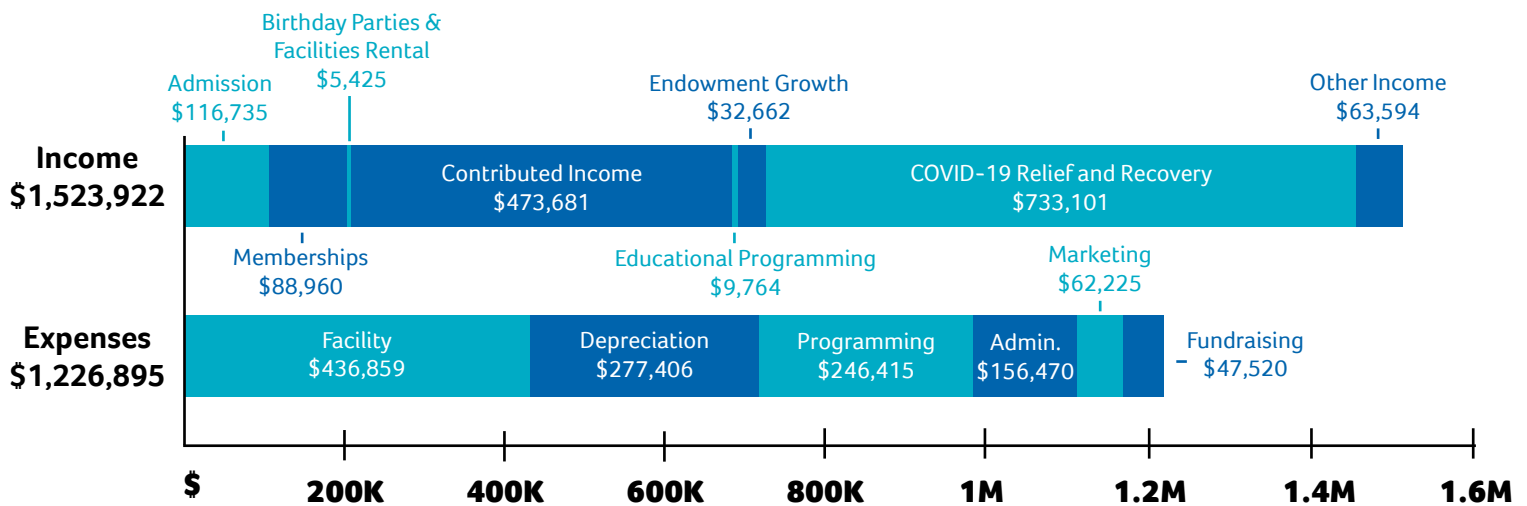

To provide hands-on learning opportunities for schools and students who could not attend field trips because of the pandemic, the BFK created student engagement toolkits. Students created their own robots, polymers, circuits, and more.

4,278 Student Engagement Toolkits

94 Explorer Camp Participants

Explorer Camps are drop-off programs designed to provide learning opportunities beyond the classroom through the exploration of Art, STEM, and mindfulness.

Financials

Empowered children. • Engaged Parents. • Energized Communities.
